

WOMEN'S MIDWEEK INTERCLUB COMPETITION RULES

SILVER PENNANTS, BRONZE PENNANTS :

Played Mid Week on a Monday

1. Format

The format is to be matchplay with handicap applied. Play is in fours, with two members of each team making up the four.

Each player will compete in a singles match, with the best score on each hole from each team counting towards a team ball match.

One point is contested for each singles match and one point for each team ball match, giving 9 points competed for in total.

Each team will consist of 6 players who will play in strict handicap index order.

Score cards completed in line with the Rules of Golf, are to be submitted for handicapping.

A coin toss will decide the honor on the 1st tee.

2. Competition

There will be two competitions – Silver Pennants, and Bronze Pennants for the Mary Penrose Salver. The number of sections within each competition will depend on the number of teams entered.

Where there is an odd number of teams in a section, a neutral venue will apply with the host team having the bye.

Where there is an even number of teams in a section – one club will not have a home game and not play the host team on their own course.

Handicap ranges are:

- **Silver Pennants:** Handicap Indices up to 18.4 (also refer FHR below)

Floating Handicap Range (FHR) Indices 18.5 – 20.5 inclusive

The FHR can be used by clubs unable to field a full team in the Silver Pennants due to a shortage of players within the required handicap ranges ie: a player with a handicap index 18.5 to 20.5 inclusive, may play .

- Two FHR players per team maybe used per round
- Players from within the FHR will play off the course handicap corresponding with that of their own index.
- In addition a player on a handicap index of 20.6 or higher may play in the silver division but must use a 20.5 index.

If a team continues to have insufficient players it should play a shortened team.

- **Bronze Pennants:** Handicap Indices 18.5 index to 40.4

Teams may field up to 3 players below this range ie. with less than an 18.5 index.

For a one section competition:

- The winning team is the team with the most points at the completion of all rounds.
- In the event of a tie the winning team will be the winner of the match between the two teams concerned. If that match was halved, a count of singles match wins across the season will apply. If there is still a tie, the No. 6 player's results shall be discarded, then the No. 5's and so on until a winner is established.
- If there is still a tie the trophy will be held jointly.

For a two section competition:

- The winning team of each Section will compete in the final for the Winner and Runner-up Trophy
- In the event of a tied result in any Section the winning team will be the winner of the match between the two (or more) teams concerned.
 - If that match was halved, a count of singles match wins across the season will apply.
 - If there is still a tie the No 6 player's results shall be discarded, then No 5's and so on until a winner is established.
 - If there is still a tie the winner shall be decided by a coin toss.
 - In the final if both teams are tied at the completion of the match, the fixture will be decided by one player selected from each team contesting a sudden death playoff commencing from the 1st tee, handicaps to apply.
- The play-off fixtures should be played on a neutral course
- Only players who participated in section play may participate in play-offs, unless otherwise approved.

3. Multiple Teams

A club may enter more than one team into the competition provided the teams can be drawn in different sections.

Players may not move between teams unless otherwise approved.

4. Substitution of Players:

Any player may be substituted after the posting of the team and prior to the commencement of the match provided:

- The opposing team and WGI are informed
- The substitute plays in the position relating to their handicap index moving other players so the team remains in handicap index order.

5. Field Day and Presentation of Trophies

- The Field Day will be held after the completion of Section Play and preferably after the Final.
- Each Club participating in the Field Day will pay an Entry Fee.
- Each team may enter a team of up to 4 pairs with the pairings at the club's discretion.
- No caddies may be used.
- The Host Club in conjunction with WGI shall determine the start time but a Shot Gun Start at 9.00am is suggested.
- It is recommended that the host club arranges a simple lunch which is prepaid for at registration.
- The competition will be a Foursomes Stableford, (Handicap- half the pairs combined handicaps, rounded up) with the top 3 scores counting towards the team score.
- To be played in sixes.

Trophies:

Silver Pennants: Silver Pennant Trophy

Bronze Pennants: Mary Penrose Salver

Winner of most individual matches won in Pennants

Lady Meech Trophy.

(Refer *Interclub: General Rules and Guidelines*)
